COMMUNIQUÉ

N° 0 0 0 0 2 1 /EFO-CCAA of 06 NOV 2026 publishing the list of the successful candidates admitted to attend the Specialised Master's Course in Aircraft Maintenance and Recycling (CAMRA).

The Director General of the Cameroon Civil Aviation Authority (CCAA), the Director General of the Agency for the Oversight of Air Safety Central Africa (ASSA-AC) and the Director of the National Advanced School of Engineering of Yaoundé (NASEY) hereby announce:

The following candidates are declared eligible to attend the Specialised Master's Course in Aircraft Maintenance and Recycling (CAMRA) at the CCAA Training School.

They are divided into two distinct categories:

- **Category A (34 successful candidates)**, composed of the **successful candidates who are beneficiaries** of the scholarships offered by ASSA-AC, and
- **Category B (15 eligible candidates for 06 seats), composed of the candidates eligible to attend the course but who are not scholarship beneficiaries. This admission is therefore on the condition that they confirm willingness to pay for their own training fees (self-sponsoring), and effectively do so within the set deadline. The opening of these six (06) additional is based on the** intake capacity of the CCAA Training School (EFO-CCAA) and the desire to give more young Cameroonians the opportunity to carry out their study projects at the said institution.

These confirmations must be made to training.school@ccaa.aero no later than 26 October 2026.

CATEGORY A – ADMITTED CANDIDATES WHO ARE BENEFICIARIES OF THE SCHOLARSHIPS OFFERED BY ASSA-AC (34 candidates)

These candidates will be contacted by the ASSA-AC for orientation concerning their scholarship.

For any further enquiries, they should contact the CCAA training school at the address training.school@ccaa.aero
